Q. A lady queried the spending that the Parish Council had carried out regarding the Fete Field. A. The Fete Field is run by the FFCommittee and the general spend is covered by Committee, but there is an amount set aside each year by the Parish Council for them, which they have to request. A balance should be shown in the noticeboard.

Q. Spending on the Community Hall was also queried. A. As the Fete Field there will be an amount set aside each year, which will have to be requested. The Community Hall is now owned by the Parish Council but is managed by a Committee.

Q. The attendance of Cllrs was also questioned, 1 has attended 7 times in the past 18 months. A. This is acceptable, although not the ideal. There is certain legislation that has to be followed, and this attendance is within that.
