6/2023 PUBLIC PARTICIPATION – MEMBERS OF THE PUBLIC, POLICE, COUNTY OR DISTRICT COUNCIL REPRESENTATIVE

A lady had been to visit the police in the hall prior to the parish council meeting, she had her say, but they had not stayed as long as agreed and left early.

The same lady spoke about the hedge on the fete field next to the development site on Whitelea, she and her husband had discussed this and asked that it be laid (pleached), and then it could be planted by the children and the community, the hedge does need saving. The Chair responded, which although the hedge is ancient, the owner of the land at Whitelea had previously planted conifers alongside this and this had taken all of the goodness from our hedge, which is why it is such a sorry state now. It had been decided to leave the hedge until autumn/spring before carrying out any work to it.

Cllr Hughes and Cllr Burfoot both talked about the development at Whitelea.

Cllr Burfoot asked the Chair if there had been any progress with the A615 since the MP's site visit.

Cllr Burfoot also mentioned the possible trial installation by DCC of speed signs and if one was requested by a Parish Council, then they may be allowed to keep it after the trial but might have to maintain at their cost.

A lady also spoke about her disappointment at the decision by DDDC to discontinue the collection of Green Waste, particularly at this time of the year.
