Paragraph 4.43 does not reflect an accurate description of Tansley.

The level of population has not been sufficient to maintain the viability of important facilities or services. In excess of 40 homes have been built in the last ten years, within that timeframe the village shop and post office have closed as has the pre-school.

Paragraph 4.43 states 'the village is served by public transport which facilitates commuting to Matlock' Our bus service runs infrequently, every two hours six days a week, there are no buses in the evening - the service is under review as the County Council are cutting services that are subsidised.

Q10: 7. If you have answered Yes to Q2 or Q3 and wish to support the legal compliance or soundness of the Derbyshire Dales Local Plan or its compliance with duty to co-operate, please use the box to set out your comments.

Q11: 8. If you consider that the Derbyshire Dales Local Plan is not legally compliant or is not sound, please set out what change(s) you consider necessary to make it legally compliant or sound, having regards to your response to Q6 above. Please set out below in detail your suggested revised wording of any policy or text and explain why your suggested change will make the Derbyshire Dales Local Plan legally compliant or sound. Please be as precise as possible.

Paragraph 4.43 should say: 'Tansley is situated approximately 2.5 km from Matlock. All daily essentials to include GP services are accessed in Matlock. The bus service is poor and runs every two hours, there is no evening service. Tansley residents are unable to access shops by sustainable modes, and are reliant on the motor car to access their daily needs.

Over the last ten years there has been a steady supply of new homes , however this increased level of population has not been able to sustain vital facilities, to include the village shop post office and pre- school.
