1 June 1901	2	<p style="text-align: center;">CRICKET NOTES (BY "CRITIC").</p> <p>Elton played Tansley on Saturday and a good game resulted. Elton won the toss and elected to bat on a very hard wicket. Starting none too well against the bowling of W.Smith and J.Twigg, they lost four good wickets for 11 runs. Then came a most useful stand between Geo. Sheldon and P.Goodwin, both hitting hard and clean for their scores of 23 and 13 respectively, whilst J.Roose contributed an equally well played 19 not out. For the Elton team, Geo.Boam obtained three wickets for seven runs and J.Roose two for 13. Owing to good fielding by the visitors and rather bad judgement on the part of the home team, no less than five batsmen were run out in their anxiety to obtain the required runs, a very pleasant game ending in a win for the Elton team by 44 runs.</p>

13 July 1901	8	<p>WEDDINGS TANSLEY. JACKSON - WATERFIELD.</p> <p>Tansley Parish Church was the scene of a pretty wedding on Tuesday, when the nuptials were celebrated between the Rev - Jackson, curate-in-charge of Poulton, and Miss Waterfield, of Tansley. The ceremony took place shortly after one o'clock, and aroused much interest in the village, where the bride is a particular favourite. The Rector, Rev J.Brodie Mais, officiated in the presence of a large congregation. There were several bridesmaids and attendants, who were very appropriately attired. The service was choral, Mr W.C.Taylor presiding at the organ, and rendering the "Wedding March" at the conclusion. The honeymoon is being spent in the south of England. In the evening some forty guests were entertained at an al fresco party.</p>

3 Aug 1901	8	<p>THE                      AGRICULTURAL OUTLOOK                      OUR ANNUAL REPORTS                      FROM ALL PARTS OF DERBYSHIRE.</p> <p style="text-align: center;">Tansley</p> <p>A correspondent who prefers to be anonymous, writes:- In answer to your enquiry about the crops in this district, I may say, like the rest of the country, the season's growth of agricultural produce has been very disappointing. All natural grass for hay is much below the average. Seeds are a fair crop. We have some good fields of wheat, but the bulk will be below the average. Oats are short in the straw, but the grain is filling nicely.</p> <p>Mangolds and potatoes are looking well, and are likely to prove a fair crop. Turnips got such a poor start, owing to the extremely hot, dry weather, that it is scarcely likely they will be up to the average of former years.</p>
7 Sept 1901	2	<p>CRICKET AND FOOTBALL                      By "CRITIC"</p> <p>Elton had Tansley as visitors last Saturday, but the latter club brought a team much below their usual strength. Only six of their regular players were able to come. The Tansley total was 47, and Elton replied with 50. Smith, bowling for the visitors, took seven wickets at small cost, and it should be noted that the only point which told against the Tansley team was the lack of another good bowler.</p>
14 Sept 1901	2	<p>CRICKET NOTES                      By "CRITIC"</p> <p>Ashover finished their season with a victory over Tansley. After making 60 they disposed of Tansley for 36, Tomlinson taking six wickets for 18 runs, and J.Hayes four for 12.</p>

26 Oct 1901	2	<p>FOOTBALL NOTES By "CRITIC"</p> <p>Tansley visited Ashover on Saturday last, and a very keen game was played between these two rival teams. The game was very fast during the whole time, Tansley being the first to score, through V.Radford. During the last half Ashover played a dashing game, the ball being kept well up to the Tansley goal. T.White worked splendidly for the home team. A.Hinde did some good shooting, but T. Ball managed to score a goal for Ashover, the game ending in a draw of one goal each.</p>
2 Nov 1901	2	<p>FOOTBALL NOTES By "CRITIC"</p> <p>At Tansley the United faced Alton United. J.Barber scored from a penalty for Tansley about five minutes after the start, and a few minutes later Askew added a second from a scrimmage. Further goals came from Ludlam and Tingley, and half-time arrived with the score: Tansley 4, Alton 0. Upon resuming, Askew added a fifth, and Alton replied through Fisher with an excellent long shot. Gratton and Bunting played a fine game at back, and nothing further resulted, Tansley winning by five goals to one.</p>
16 Nov 1901	6	<p>GLEANINGS IN THE PEAK</p> <p>An interesting ceremony took place at the George and Dragon Inn, Tansley, on Thursday last week, when Mr G.Hodgkinson, of Matlock Bridge, was presented with a silver cup and smoking cabinet in recognition of his services as sick pay officer of the Offspring of Hope Lodge, which is held at the "George". Mr Hodgkinson succeeded his late father in the office, and between them they have a record which is unique locally. For more than half a century the father and son have been friend of the sick members. Mr W.H.Moore presided, and gave a brief and pleasing history of Oddfellowship and its advantages. Dr Moxon, J.P., in a humorous and appropriate speech made a presentation in the name of the subscribers, and referred to what the Hodgkinson family had done for the Order in the district. No greater pleasure had been given him than to subscribe and make the gifts in the name of the members. After Mr Hodgkinson had replied, the evening was harmoniously spent. Songs were given by Mr W.Ellis, Mr Moore, and Mr Hursthouse, and Mr Johnson delighted the company with his recitations.</p>

23 Nov 1901	8	<p>NEWS SUMMARY</p> <p>A Tansley widow named Barton fell downstairs at Tansley and broke her back, dying on Wednesday.</p>
7 Dec 1901	6	<p>GLEANINGS IN THE PEAK</p> <p>In Tansley during the past month there were four sudden deaths: Norman Wheeldon, aged two; Mrs Ellen Barton, 43; Wm. Taylor, 4; Frederick Cooper, who died on the roadside. Thomas Batterley died on Tuesday at 70 years of age.</p>
28 Dec 1901		<p>GLEANINGS IN THE PEAK</p> <p>There was reported to P.c.Storey, at the Tansley Police Station, last Friday night, the sudden death of Mrs Marianne Vaughan, at Portland Grange, Matlock Bank. An examination of the body showed no trace of anything but that death was due to natural causes and the information was given by Mr Hurd that the deceased came to his house on the 26th of June last as a paying guest. She had never had complained of anything excepting a pain at her heart, at different times during the past few weeks. A telegram was sent to a sister of the deceased, residing at Liverpool, for further information, as nothing was known of her at Matlock, and her age could not be stated, as she always declined to give it. The facts were forwarded to Supt. Hollingworth, but Mr Taylor, the coroner, decided that no inquest would be necessary, as death was due to natural causes, viz., to heart disease.</p>
