TANSLEY PRIMARY SCHOOL COMMUNITY GOVERNOR VACANCY

Tansley Primary School has a place on its governing body for a community governor. Community governors are appointed to represent community interests. They can be persons who live or work in the community served by the school, or persons who do not work or live close to the school but are committed to the good governance and success of the school. It is anticipated that the appointment of community governors will be used to strengthen links between the school and the community that it serves and to enable the governing body to add specific areas of expertise to their membership. A TRIBUTE TO THE LATE DOREEN RYDER

"Doreen will be greatly missed around the village, mostly at the Tuesday Club, the whist drives and the village bingo. She was always willing to help at the club, never needed to be asked, whether it was washing tea cups or baking etc. Her delicious scones and fancy cakes which she regularly brought to the whist drives will be really missed. She was very generous and enjoyed a good laugh. She was born and brought up in the village, went to the village school, worked at the Woolworths store in Matlock for many years and later worked at one of the residential homes for the elderly in Matlock. She is already missed by many Tansley people who have known her all their lives." *(tribute provided by Tuesday Club chairman Marjorie Ramwell)*
