

# PARTY TIME

@ Tansley Community Hall

Tansley Community Hall Committee would like to invite **EVERYONE** (yes, that's you!) to a PARTY on:  
**Fri 2<sup>nd</sup> & Sat 3<sup>rd</sup> Sept : 10 - 4**

TCH is getting a fresh new look & we need your help: whether it's five minutes or five hours of your time; donating materials or serving refreshments – all contributions will be appreciated and put to good use.

Tansley Community Hall is a great asset to the village and surrounding areas and we would like to keep it that way; wouldn't you?

**Fri 2<sup>nd</sup> & Sat 3<sup>rd</sup> September 2011**

Derbyshire Dales District Council (DDDC) has said it does not intend to sell **Tansley Community Hall** and has agreed that Tansley Parish Council may take over the lease, as desired by the hall's current management committee. The Parish Council is willing to do this once the building is in a good state of repair—there is significant work required on one of the windows. The hall is open for bookings—for meetings, group activities, parties, etc. It has a new kitchen facility and, once the building has been redecorated, the management committee hopes it will be more widely used by the village. If the hall is lost it will never be regained! Please show your support by coming to the party.

**RSVP to confirm your attendance and/or contribution — to a PARTY you'll remember for a long time! Phone 01629 57728**

Did you know that there will be no more Saturday household waste collections at The Gate? There is a new recycling facility in Darley Dale. Call DDDC Environment Hotline on 01629 761215 for details.

### Tansley Village Hall

## NEW ROOF FINISHED! Hall due to reopen Monday 5th September

The replacement of the Village Hall's ground floor roof is complete, and the Hall is expected to reopen on Monday 5th September. Special attention has been given to resolving persistent, historic sources of leaks. All lead-work is security-marked with uniquely coded Smart Water to deter theft. Two Velux skylights are now in place in the main hall, and there are remotely-controlled blackout blinds.

Village Hall Secretary Chris Knightley says "Now we'll be able to turn our attention to the many other renovations required, including re-plastering and redecoration in the main hall and kitchen, replacing the windows and re-covering the upper room's roof. We hope everyone will continue to support the fundraising needed to achieve all this."

Tansley Village Hall Committee is looking for new recruits. The Committee, very active in its fundraising, planning and day-to-day running of the hall, would like to hear from similarly energetic members of the community willing to get involved. At present there are 11 committee members, but a few more would be most welcome. The committee meets about four times a year and each meeting lasts around 1.5 hours. To find out more, please phone Jean Peters, Village Hall Committee Chairman, on 01629 56409.

## RICHARD & CHARLOTTE'S COAST-TO-COAST WALK RAISES £300 FOR VILLAGE HALL

## 59 THE KNOLL: PREMISES LICENCE APPLICATION

A premises licence application has been made by a Mr Oliver Kemp with regard to 59 The Knoll (the empty new-build shop premises). While everyone in the village appears to be in favour of a shop or shop/café on the premises, many residents have concerns about the licence, which, if granted in its present form, would allow live music and alcohol sales until late at night seven nights a week. Derbyshire Dales District Council will hold a hearing about the application on 5th September.
