1	<p>6th September - Darren Aronofsky's</p> <p><i>Black Swan</i></p> <p>Natalie Portman, Mila Kunis, Vincent Cassel Cert 15. Jan 2011 – Drama, thriller, mystery – 108 mins.</p>	<p>A ballet dancer wins the lead in "Swan Lake" and is perfect for the role of the delicate White Swan - Princess Odette - but slowly loses her mind as she becomes more and more like Odile, the Black Swan.</p> <p><i>Bracingly intense, passionate, and wildly melodramatic, Black Swan glides on bold direction -- and a bravura performance from Natalie Portman. [Rotten Tomatoes]</i></p>
2	<p>Oranges and Sunshine tells the story of Margaret Humphreys, a social worker from Nottingham, who uncovered one of the most significant social scandals in recent times: the forced migration of children from the United Kingdom. Almost singlehandedly, Margaret reunited thousands of families, brought authorities to account and worldwide attention to an extraordinary miscarriage of justice.</p> <p><i>A powerful, deeply moving, understated account of a major social injustice that went unreported for many years. [The Guardian]</i></p>	<p>4th October– Jim Loach's</p> <p><i>Oranges And Sunshine</i></p> <p>Hugo Weaving, David Wenham, Emily Watson Cert 15. April 2011 – Drama – 105 mins.</p>
3	<p>1st November– Ethan Coen's and Joel Coen's</p> <p><i>True Grit</i></p> <p>Jeff Bridges, Matt Damon, Hailee Steinfeld Cert 15. Feb 2011 – Drama, western – 110 mins.</p>	<p>A tough U.S. Marshal helps a stubborn young woman track down her father's murderer.</p> <p><i>Girded by strong performances from Jeff Bridges, Matt Damon and newcomer Hailee Steinfeld and lifted by some of the Coens' most finely tuned, unaffected work, True Grit is a worthy companion to the Charles Portis book. [Rotten Tomatoes]</i></p>
4	<p>Picked as her best friend's maid of honour, lovelorn and broke Annie looks to bluff her way through the expensive and bizarre rituals with an oddball group of bridesmaids.</p> <p><i>A marriage of genuine characters, gross out gags and pathos, Bridesmaids is a female-driven comedy that refuses to be boxed in as Kristen Wiig emerges as a real star. [Rotten Tomatoes]</i></p>	<p>6th December – Paul Feig's</p> <p><i>Bridesmaids</i></p> <p>Kristen Wiig, Maya Rudolph, Rose Byrne Cert 15. June 2011 – Comedy – 125 mins.</p>
5	<p>3rd January – Peter Weir's</p> <p><i>The Way Back</i></p> <p>Colin Farrell, Ed Harris, Jim Sturgess, Mark Strong, Gustaf Skarsgård Cert 12A. Jan 2011 – Adventure, drama – 133 mins.</p>	<p>This is an epic story, set in 1941, of survival, solidarity and indomitable human will in which three escapees from a Siberian gulag walk thousands of miles in a treacherous journey through hostile terrain trying to reach India to win freedom.</p> <p><i>This epic offers sweeping ambition and strong performances to go with its grand visual spectacle. [Rotten Tomatoes]</i></p>
6	<p>After a bleak childhood, Jane Eyre becomes a governess. Happy in her new position at Thornfield Hall, she meets the dark, cold, and abrupt master of the house, Mr. Rochester. They grow close in friendship and she falls in love with him but he has a terrible secret.</p> <p>Filming locations include Derbyshire's Chatsworth, Haddon Hall and Froggatt. Thornfield Hall in Charlotte Brontë's 19th century novel was probably inspired by North Lees Hall, near Hathersage.</p> <p><i>In a fiery and elegant adaptation, Mia Wasikowska delivers possibly the best portrayal of the title character ever. [Rotten Tomatoes]</i></p>	<p>7th February – Cary Fukunaga's</p> <p><i>Jane Eyre</i></p> <p>Mia Wasikowska, Michael Fassbender, Jamie Bell Cert 12A. Sep 2011 – Drama, romance – 120 mins.</p>
7	<p>6th March</p> <p><i>To be announced</i></p>	<p><i>We have kept the choice of film open so that we can show something special. It could be a hot release or something of unexpected interest or sudden acclaim. In fact, it could be anything but it will be a great film to be announced near the date!</i></p>
8	<p>Set during the First World War, the story begins with the remarkable friendship between a horse named Joey and a young man called Albert, who tames and trains him. When they are forcefully parted, the film follows the extraordinary journey of the horse as he moves through the war, changing and inspiring the lives of all those he meets.</p>	<p>10th April – Stephen Spielberg's</p> <p><i>War Horse</i> *</p> <p>Jeremy Irvine, Emily Watson, David Thewlis Cert awaited. Jan 2012 – Drama, biography – <i>Unknown</i> mins.</p>	<p>Chronicles Margaret Thatcher's rise to power as she smashed through the barriers of gender and class to be the newly-elected leader of the Conservative Party in 1975 and the country's first female Prime Minister four years later. The story concerns power and the price she paid for it, including the toll on her personal life and the relationship with her husband.</p> <p><i>The film is a surprising and intimate portrait of an extraordinary and complex woman. Meryl Streep's performance could be an Oscar winner!</i></p>
